Mezzo floor screen, a multi-functional screen with whiteboard on wheels.

Sizes: Widths: 800 och 1600 mm, Height: 1000 mm
Height from floor: 1900 mm
Thickness: 70 mm

Design: Chipboard frame, rock wool filling, covered with fabric. One side has a clear glass whiteboard. Consideration should be given to the colour of fabric selected, as it will sit behind the glass board on which you write. You can choose different fabrics on either side of the absorption panel. Behind the glass whiteboard is a magnetic metal layer. The frame is made of steel painted black or white. The frame holds a shelf for markers and accessories. The wheels are lockable and 660 mm apart, so the wheels extend 330 mm on each side.

Accessories: Whiteboard markers for glass whiteboards, four-pack, red, blue, green & black, Neodymium magnets, ten-pack.

Standard fabrics: Cara from Camira Fabrics, prisklass 1
Event and Event screen from Gabriel, prisklass 1
Blazer Lite from Camira Fabrics, prisklass 2
Gaja, Twist, Fame from Gabriel, prisklass 2
Clara from Kvadrat, prisklass 3
